Explanatory Memo on the draft Budget Estimates of the Mysore City Municipality for the year 1905-06.

RECEIPTS.

I. *Octroi.*—The estimate under the several sub-heads are based on the average realization of the past six months of the current year and the realization of the last six months of the previous year.

II. *Taxes on Houses and Buildings.*—The estimate of Rs. 20,000 is based on the actual realization of the year 1903-04. The collection of the first half of the current year was below the average owing to the absence of many house-owners, as usual, on account of the prevalence of plague in the City. Coercive measures have been adopted for the recovery of the arrears.

III. *License Receipts,* (*a*) *Liquor Shops.*—The estimated demand of Rs. 7,600 is based on the realization of the past six months of the current year and of the last six months of the previous year.

(*b*) *Other Licenses.*—The estimate is based on the amount collected during the first six months of the current year and the collection in the second half year of the previous year.

IV. *Carriage Tax.*—The estimate is based on the average collection of the last year and actual and probable collection of the current year.

V. *Taxes on Animals.*—The estimate is based on the average realization of the last two previous years.

VI. *Tolls.*—The right to collect tolls at the several toll-gates is sold by auction and it is not now possible to say what amount will be realized under this head. For budget purposes the figure of 1904-05 is retained, leaving the fractional part of it.

VII. *Other Taxes, Mohatarfa.*—There is an increase of Rs. 1,500 under "(*a*) Shop-tax," which is based on the average realization of the previous two years.

VIII. *Rents,*—The increase in the estimate over the sanctioned amount of the current year under "(*c*) Market" and "(*e*) Lands" is based on the actual realization of the year 1903-04, and also on the probable collection of the first and last half year of the current year. The decrease under "(*a*) Houses" is due to the fact that several people and dramatic companies having had to leave the City on account of the outbreak of plague in the City.

IX. *Fines.* This is a fluctuating item and the estimate is based on the actual realization of 1903-04.

X. *Miscellaneous,* (*a*) *Sale of Houses and Lands.*—The estimate is based on the actual realization 1903-04.

(*d*) *Pounds.*—This is a fluctuating item and the estimate is based on the average realization of the past two previous years.

(*g*) *Sale of Manure;* (*h*) *Sale of grass;* (*i*) *Sale of smuggled goods;* (*k*) *Amarayi;* (*e*) *Notice and warrant fees;* (*n*) *Other items;* (*o*) *Refund and Recoveries;* (*p*) *Lapsed Deposits.*—These items being of a fluctuating nature, last year's figures are retained under these heads after making slight alterations wherever it was found necessary.

(*q*) *Water Tax.*—The estimate is based on the average collection of the past two previous years.

XI. *Payments for Municipal Services rendered to individuals.*—The estimate under this item is also based on the average realization of the two previous years.

EXPENDITURE.

The sanctioned budget estimate figures have been retained in all the items for this year's estimate, except in the following cases.

II. *Head Office Charges.*—Besides the fixed charges a sum of Rs. 60 has been provided to meet the increment to the Manager's pay as per Government Order No. 13074-76—L. F. 319-96, dated 7th February 1902.

IV. *Conservancy,* (*a*) *Establishment.*—Besides the usual fixed charge of the establishment, Rs. 360 has been provided to meet the pay of the Assistant Sanitary Inspector, sanctioned by Government in their Proceedings No. 3344-6—L. F. 226-96, dated 4th March 1904.

VII. *Lighting.*—The increase of Rs. 150 under this head is due to the charge of 17 more lamps provided for the newly opened streets in the City in addition to 50 new lamps used to be provided for always.

VIII. *Public Works.* (*a*) *Establishment.*—Last year's sanctioned estimate is retained.

(*b*) to (*n*) *Works.*—The available funds after meeting fixed charges have been distributed under the several sub-heads. Particulars of works are given in Form II. All estimates for original works for Rs. 500 and upwards will be submitted to Government as usual.

Closing Balance.—Necessary closing balance has been retained.

Report of the Sub-Committee to the President of the Mysore City Municipality.

We, the members of the Sub-Committee appointed by the Board to discuss the budget estimates of this Municipality for the year 1905-06, have the honor to report that we have discussed each and every point of the Budget Estimates and have passed the same with necessary modifications in the expenditure side as particularized below :—

Head Office Establishment.—We propose that the pay of the Municipal accountant who is now drawing Rs. 20 a month be raised from Rs. 20 to 25 as the nature of the work which this official does is very important. The accountant in the Bangalore Municipality gets Rs. 60 a month.

Munshi.—This official who is drawing Rs. 20 a month since 1897 is an intelligent, hard-working and smart man. He has had no promotion for the last eight years. In the interests of the public service, we propose to raise his pay from Rs. 20 to 25 by an annual increment of Rs. 2-8-0, when he will at least have the status of a Taluk Head Munshi.

The office dafadar who gets a monthly salary of Rs. 7 is deserving promotion. Hence his pay has been proposed to be raised from Rs. 7 to 8, thus giving him the pay of a taluk dafadar.

Collection Branch.—As the shroff in this Municipality is maintaining Cash Books and other miscellaneous papers connected therewith, in addition to his onerous duty as shroff without the help of a gollar as in the Bangalore Municipality, we are inclined to increase his pay from Rs. 15 to Rs. 20 by an annual increment of Rs. 2-8-0, per month. This appointment will then be equal to that of a shroff in the taluk, and deputy shroff in the District Treasury.

Conservancy Department.—A provision of Rs. 10 per month as horse allowance to the Assistant Sanitary Inspector has been made in the budget in addition to his pay, as already recommended to Government by the President in his letter No. 120, dated the 6th January 1905, as per Board's Resolution No. III for the month of December 1904.

Lighting Charges.—As the provision of Rs. 9,400 made by the Vice-President under this head is considered insufficient to meet the demands as several roads and lanes have been newly opened by the Trust Board and for which more lights are required, it has been raised to Rs. 1,00,000.

Public Works Department, Road, Repairs.—The provision of Rs. 15,000 made in the budget is to be allotted mohalawar before expending it.

Buildings, Original.—The provision of Rs. 400 made for putting corrugated iron roof over the vegetable stalls in Devaraj Market being insufficient, it is proposed to raise it to Rs. 1,500.
